The County of San Mateo County Airports User Generated Content Policy

Please read this policy carefully to understand our policies and practices regarding your posts and information shares and how we will treat them. If you do not agree with our policies and practices, your choice is not to use or post content to our social platforms.

By posting content to our pages, you agree to this policy. This policy is subject to change. We may make changes if deemed necessary, so please check the policy periodically for updates.

User-contributed content and posts will be monitored on our social platforms and are intended to enhance your experience, entertain and/or educate our followers, and help them get to know our airports better and the community we serve.

We have written this content policy for our user-contributed content to help ensure that users and viewers are viewing it as positive and beneficial. We ask that contributions be based on real experiences and information. False, fake, or stolen photos, defamatory language, personal attacks, and unnecessary or incorrect content are in violation of our policy. User-generated posts will be rejected or removed when the content is off-subject or out of context, threatening, harassing or discriminatory, compromise individual or public safety, or promote violence. We reserve the right to disable user-generated contributions to prevent abuse. We also reserve the right to remove content that violates our policy.

And most importantly, we want to thank you for sharing. Thank you for taking the time to post, and share your photo, video, or story with us. It means so much to connect with you and for you to share on our behalf. We appreciate your contributions.
