

NORTH FAIR OAKS

FI REWORKS 2020

Preparedness

The Fourth of July holiday is traditionally a time for family gatherings and barbeques. This year was much different due to the pandemic. The city official firework shows were canceled to prevent further spread of the virus. As we learned, many people throughout the bay area held their own firework shows with illegal commercial grade fireworks.

Preparedness

- Internal meetings
- Banners
- Door hangers distributed
- Social media postings

La Oficina del Alguacil del Condado de San Mateo y el Distrito de Bomberos de Menlo Park

La oficina del Alguacil del Condado de San Mateo reforzará las leyes contra los **fuegos artificiales ilegales** (código del condado 5.28.030b) y el **uso ilegal de armas de fuego** (código del condado 246.3 PC) durante el **4 de julio**. Los fuegos artificiales ilegales y las armas de fuego pueden ser peligrosos y/o mortales. Asignaremos patrulleros adicionales en esta área para mantener al público a salvo.

Las sanciones incluyen multas administrativas de hasta \$ 500 y/o arresto.

Field Operations

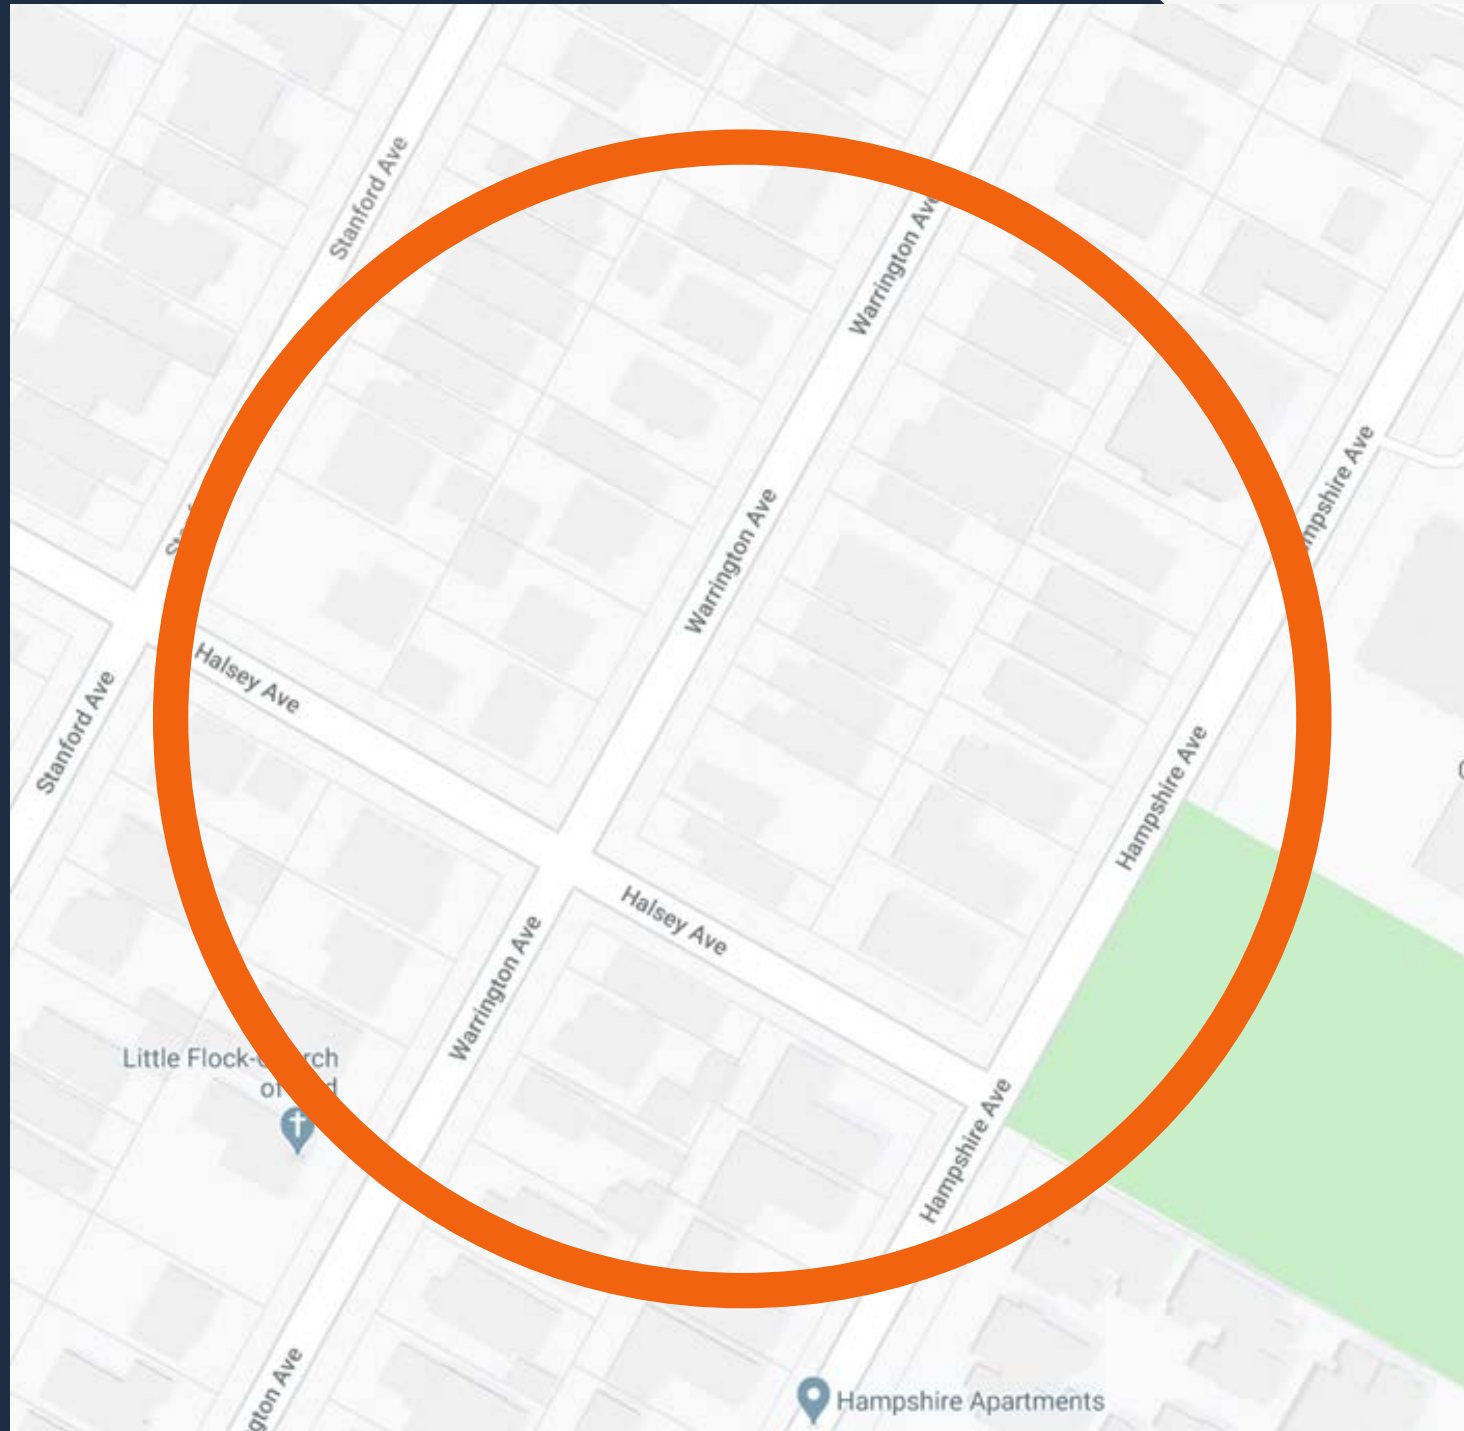

- 2 Deputies and 2 Sergeants were assigned to work the firework suppression detail in the North Fair Oaks area of Unincorporated San Mateo County.
- Briefing was conducted in the Headquarters Patrol briefing room at 1600 hours and the special detail team dispersed to patrol the designated “hot spots”.
- This year we noticed large crowds of people gathering to watch the fireworks. We experienced a higher amount of activity in the vicinity.

Hurlingame Avenue

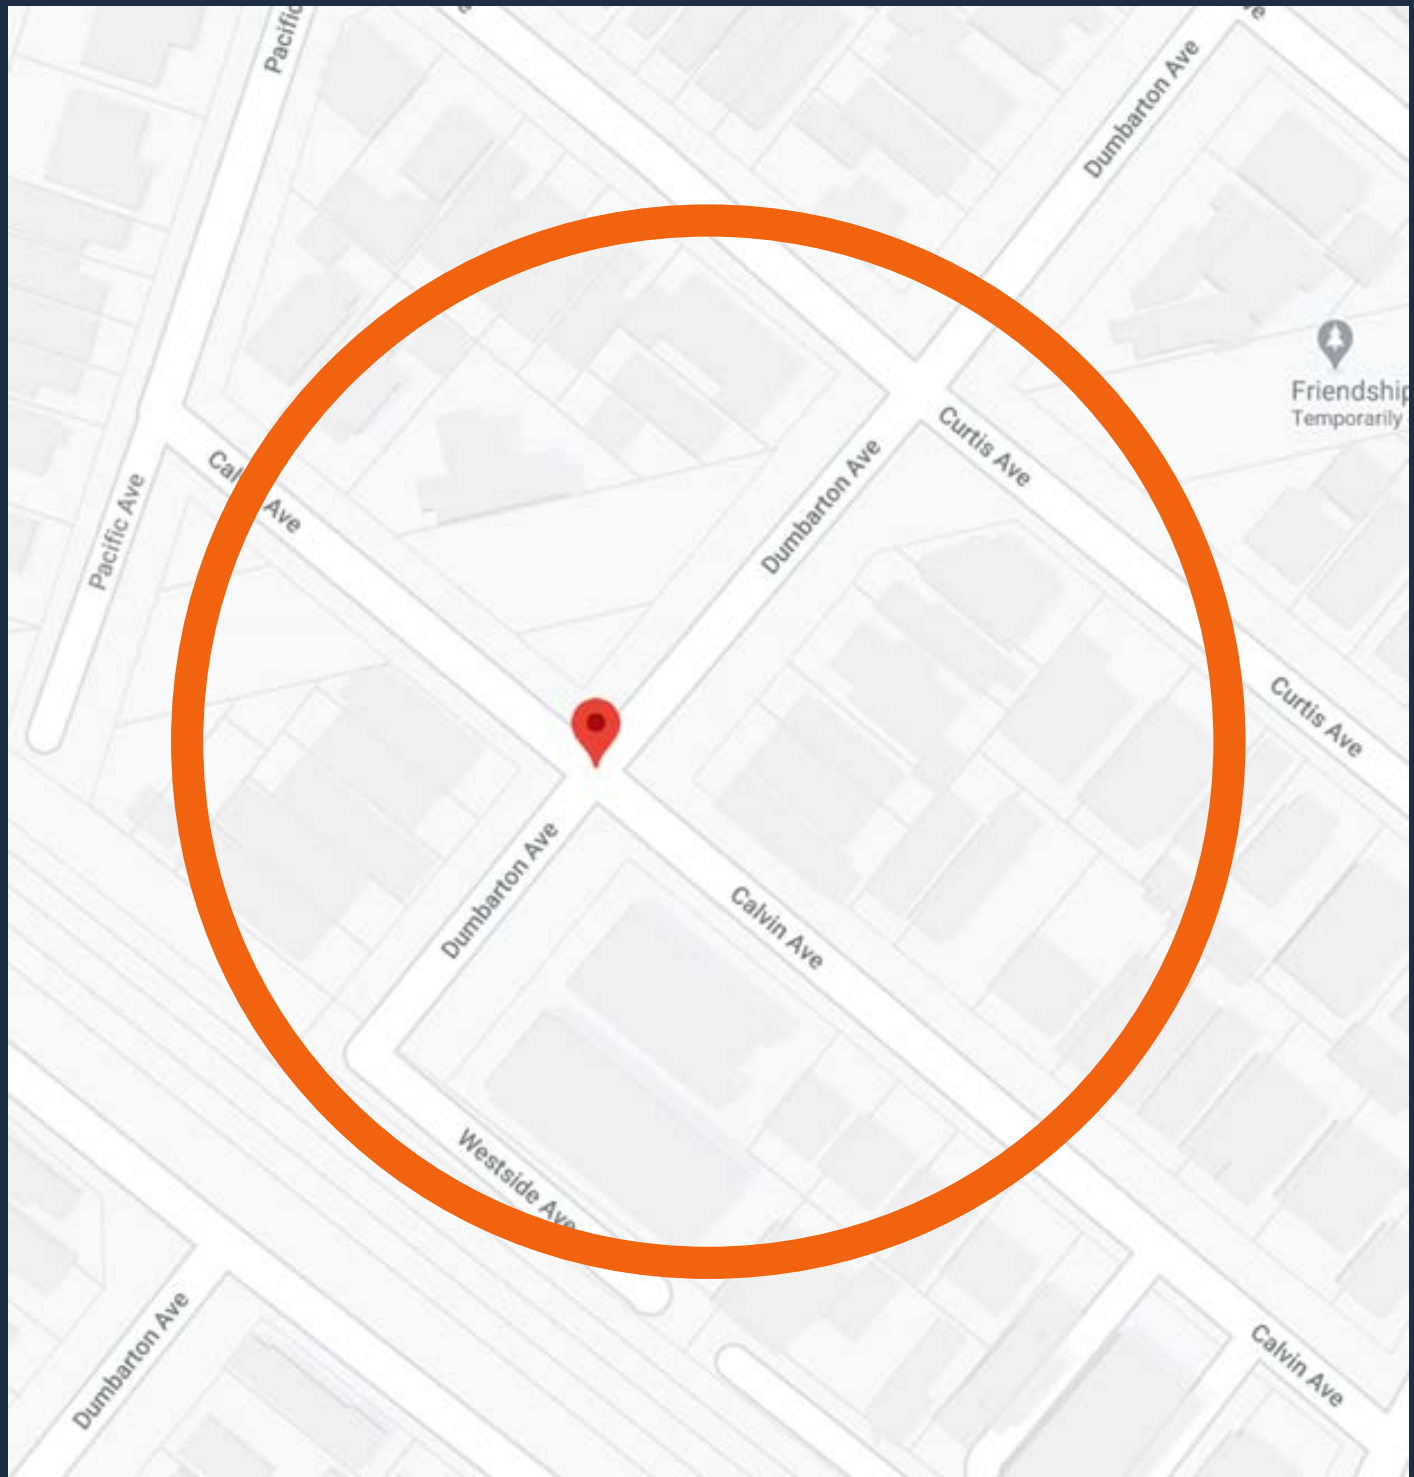

Hot Spots

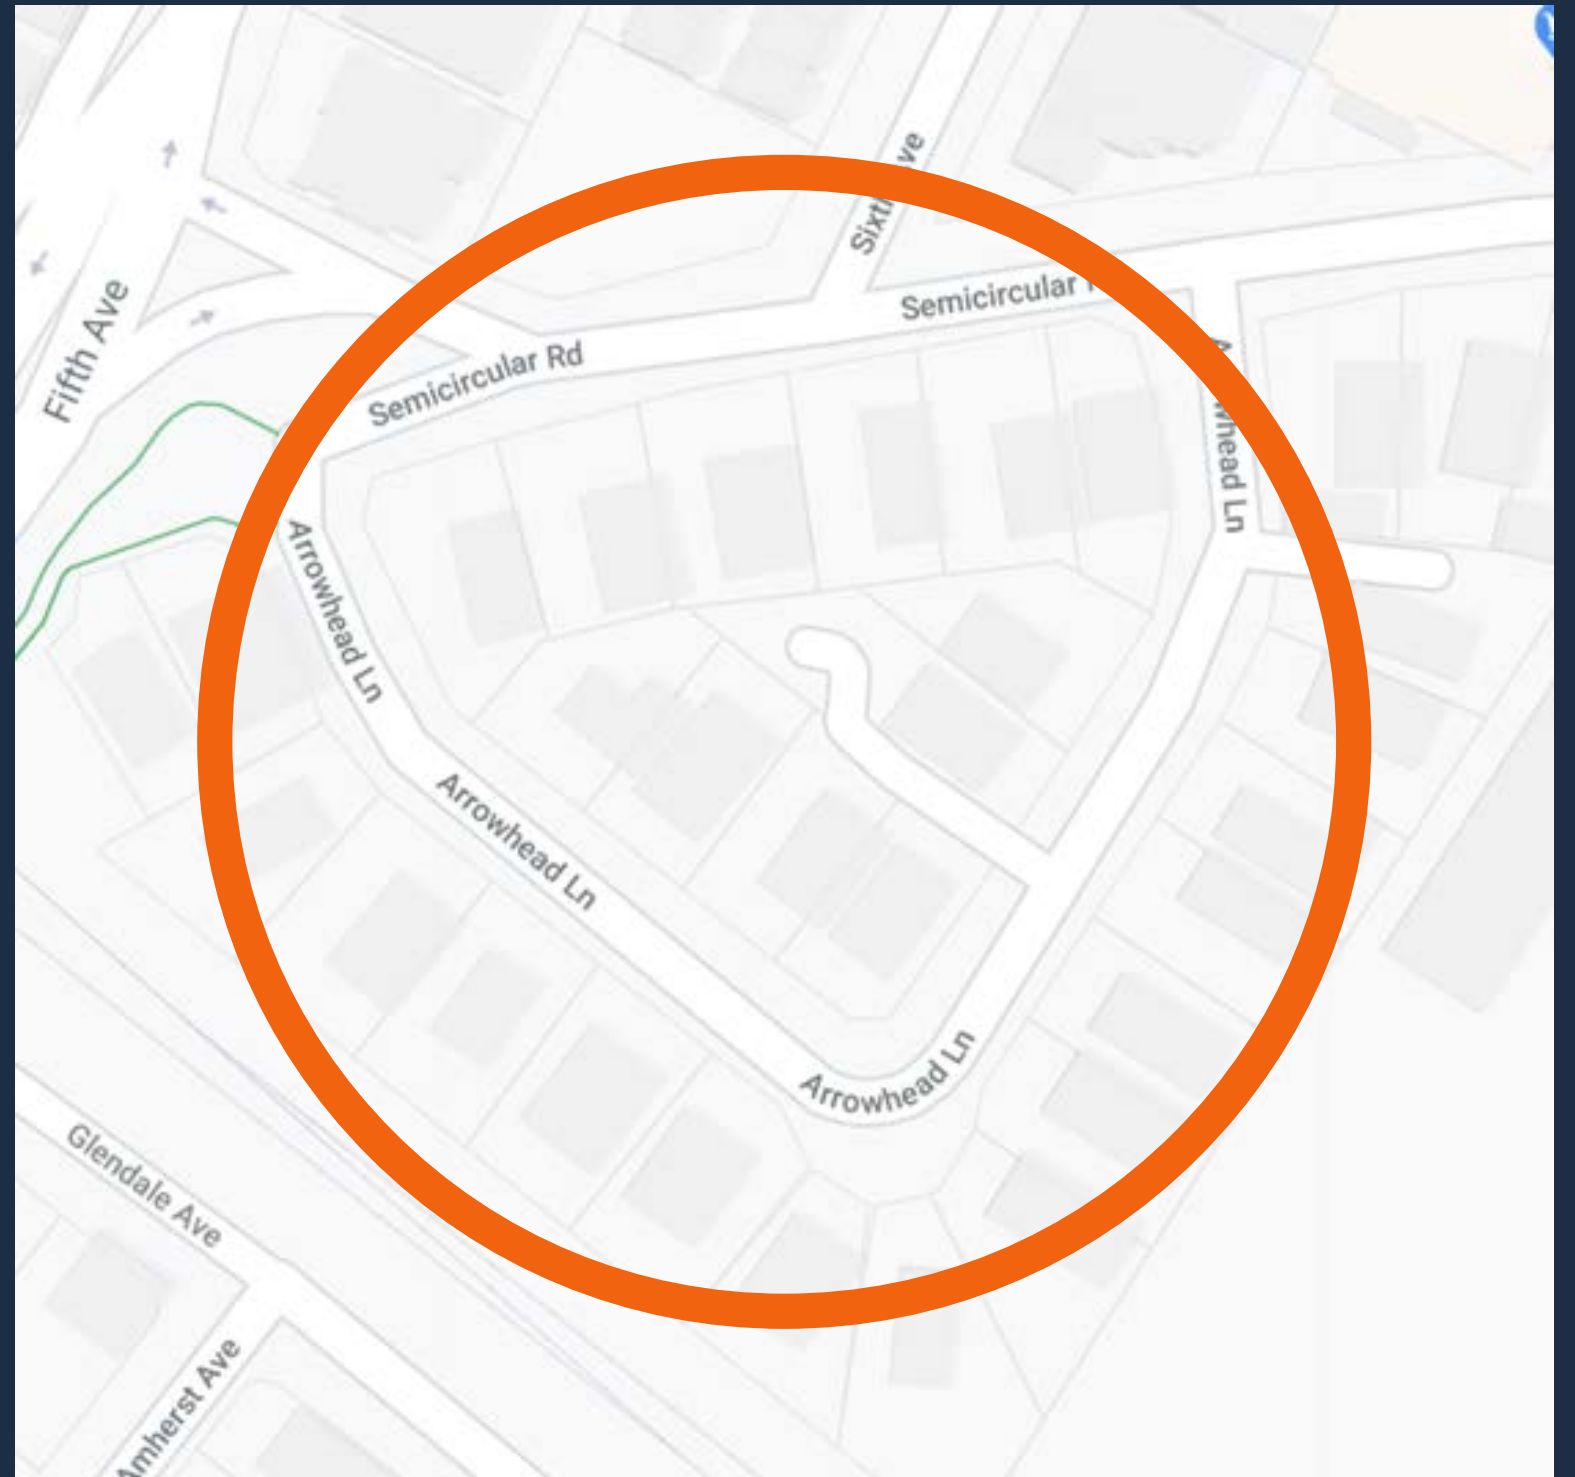

- The hot spot areas consisted of Halsey Avenue between Hampshire Avenue, Warrington Avenue, and Stanford Avenue.
- Several residents were conducting their own traffic control and blocking the streets to allow for illegal fireworks to be ignited and making it difficult for law enforcement to catch the offenders.

Several double parked vehicles and approximately 100 plus residents in the street viewing the fireworks.

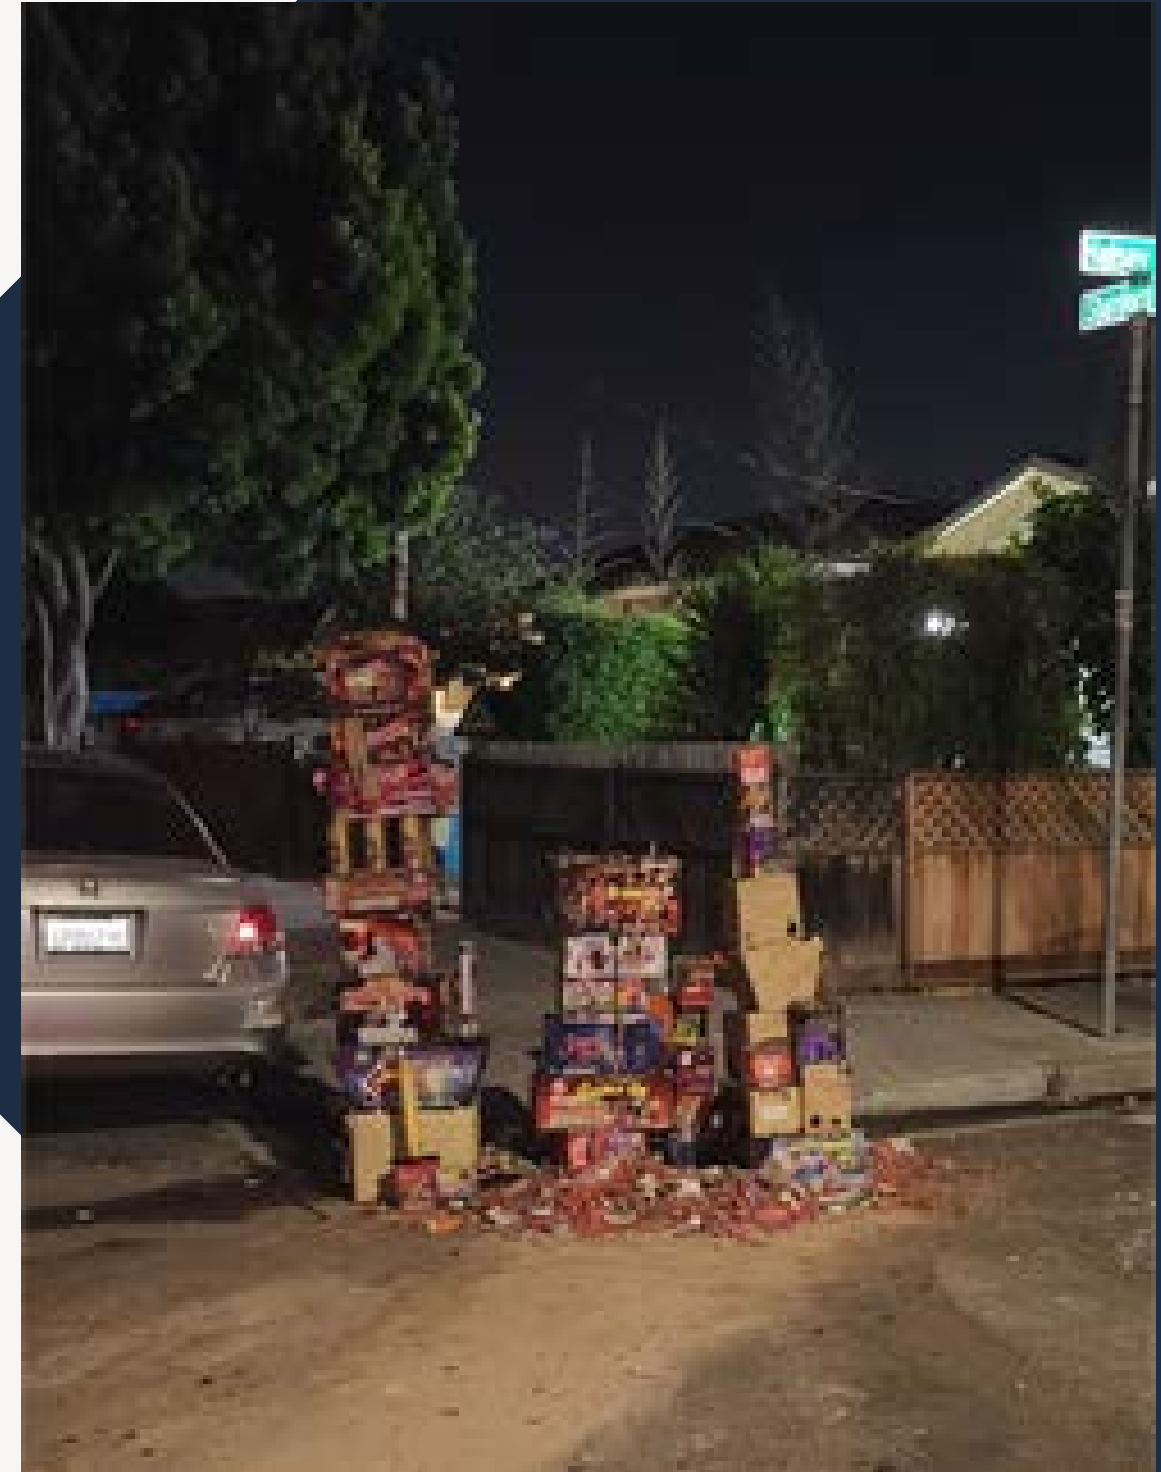

Dumbarton and Calvin

Arrowhead Lane

Enforcement

- The highest number of fireworks activity was estimated between 8:00 p.m. and 11:00 p.m.
- During this time deputies wrote 20 citations and confiscated a considerable amount of mortar, P-100, roman candles, and bottle rockets among other illegal fireworks. Our Bomb Unit took possession of these fireworks.

Lessons Learned

We have already started the planning for New Year's Eve 2021 and July 4, 2021.

We need additional technology to assist us with apprehension of these offenders.

We have learned that we need to conduct additional investigations prior to each event.

There is always room for improvement and work more closely with the community.
