Hi Wes,

We cannot issue this permit until 7/13. Please work with Bob to get all other pieces in order so on the 13<sup>th</sup> this is ready to issue.

Thanks

Hi Camille. I just talked to Robert for 88 Cowpens. I set him up to come tomorrow afternoon to pickup at 4pm. I do see Planning and the PreSite still pending as he said the PreSite was done. Not sure if you can confirm that. Also, there's a Misc notation to contact Dave Pine 24 hours before we issue the permit.
