RE: Highlands, Lot 10

Dear Bob:

Thank you for meeting me at Highlands Lot 10 to inspect the coast live oak growing adjacent to the corner of the garage and the retaining wall. This tree is in poor condition, growing over the roof and competing heavily with the adjacent coast live oak.

I recommend this oak be removed due to the location. With the removal, the adjacent oak will improve in form and vigor due to the reduced competition. Should you or others have questions or comments, please contact me at your convenience.

Respectfully,

A handwritten signature in blue ink that reads "Ralph Osterling". The signature is written in a cursive, flowing style.
