Subject: Highland Estates Site Visit 1/21/2021

Hi Bob,

It was nice to see you onsite today! As we discussed please address the following issues onsite:

Lots 9/10

- The silt fence on the southeast side of Lot 9 is falling down, and requires repair. Please repair the silt fence as required by the Erosion Control Plan and the SWPPP
- There are boxes that have flown down the hill and outside of the project boundary on the east side of Lot 10. Please retrieve these boxes so that they do not blow down the hill and leave the Project site.

Lot 11

- The windbreak fencing is falling down, please repair as required by AQ-1.

Thanks so much,

Jessie Henderson-McBean
